Thanks for your interest in how to improve walking and biking routes to Cedar Park Elementary. Please fill out this comment sheet and help make your neighborhood streets safer for everyone!

1. Circle the streets you think would make the best neighborhood walking and biking routes to Cedar Park School.

1. What barriers prevent, or make it more difficult, to walk and ride a bike in your neighborhood? Are there specific locations?
2. What are important destinations where people walk and bike in Cedar Park?
3. School buses, cars, people walking and people biking all have to share the streets in Cedar Park during busy arrival and departure at Cedar Park School. What are your ideas for making it easier for children and families to walk and bike to school?
4. If you are an Olympic Hills Elementary School parent driving your child to Cedar Park Elementary, what is your preferred route in and out of the neighborhood?
5. How can traffic circulation be improved around the school during arrival and departure?
